Description

The Ocqueteau 715 is a good all rounder, ideal for coastal cruising or offshore sea angling. She is known as the Land Rover of the sea, and one can understand why.

Fantaisie comes equipped with a powerful 175hp Nanni diesel and with good accommodation. The wide after deck is a particularly important feature, ideal for rod

fishing.

The fully enclosed wheelhouse gives excellent visibility and shelter from the elements.

The engine was professionally rebuilt in 2018 including new cylinder head and new alternator.

There are four berths available, a large double berth in the forward cabin, and a double in the wheelhouse. The saloon berth converts to a settee with a table when required.

The helm position is situated to starboard with a comfortable seat for the helmsman.

There is a separate heads compartment with a sea toilet.

The galley has a two burner gas hob that is concealed under the helmsman's seat. There is also a microwave, a front opening fridge and a sink.
